

**Pitch in to help
advance the
public awareness
of agriculture's
contributions to
society**

By participating in the “WV Friends of Agriculture” Golf Tournament, you will be lending your support to the WVFB Foundation’s efforts to increase the general public’s agricultural literacy.

The WVFB Foundation, along with the WVU Extension Service and the WVU Davis College of Agriculture, Forestry, and Consumer Sciences hold the Summer Ag. Institute. This is a two day conference that promotes agriculture to the state’s teachers.

The WVFB Foundation’s Mobile Ag Ed Science Lab is currently traveling the state teaching elementary students about agriculture.

We hope that through the support of people like you we can continue to increase agriculture literacy.
